

Video conference with the star of the Hit musical Hamilton

Stephenson Arden Sonje is an ex-student of SSFC/SCG

We have arranged a video conference with him to find out what he's been up to since he's left the college and how he managed to land one of the top roles in Musical Theatre.

A small group of interested students can quiz him and learn from him about how his time here helped to form him and about his time as script writer on Coronation Street and his current role as Alexander Hamilton and others in the London production.

Time: 12- 1pm 24th October

Venue: W303
